

I wanted to personally write you for two reasons. First, I want to say thank you for participating and for influencing other men to participate at our annual Intense Men gatherings. These first 11 years have been beyond our wildest dreams to say the least. This past year we had a young lady from one of the vendor teams get saved and baptized! That was a first! Last year we sold over 2,100 tickets, by far our largest ever. Covid officially hit the day we started Intense Men, but over 1,400 men still attended. It was an amazing time as it always is with lives being changed.

Second, after months of prayer and consideration, we have decided to change things up a little for 2021. We have decided to not host Intense Men at Jordan Ranch. We shall instead be hosting a Man Church Event in New Braunfels on January 23, 2021. You can get information at [manchurch.live](http://manchurch.live).

In addition, this year is our 25<sup>th</sup> anniversary at PowerHouse Church! We have an incredible conference weekend planned for June 18-20, 2021 as we celebrate what God has done in the last 25 years. We will kick off the conference with our annual Commissioning and Ordination Service. We would love for you to bring your entire church and celebrate with us!

We have big plans for 2022 where we will kick off Intense Men once more. So take this opportunity and use this spring break to do something exciting with your entire family because next year in 2022, Intense Men will be back bigger and better than ever!

Thank you for understanding as well as praying for the Intense Men team that works so hard each year to serve you and your sons. Please continue to work with us to improve our experience of Building Men and Raising Sons!

I expect to see you and your sons in New Braunfels in January and in Katy in June.

Keep pressing,

GFW
